EXPANDED TRADE FAIR CONCEPT

therapie LEIPZIG 2025 will be bigger, broader and livelier than ever before. More than 350 exhibitors from both Germany and abroad will offer a comprehensive overview of the latest industry developments and innovations on the market.

The standout feature of the accompanying congress is its interdisciplinary and practice-oriented programme. The sheer variety of the congress is unparalleled and attracts a broad range of medical professionals numbering in excess of 3,000.

More than 400 seminars, workshops and lectures in the congress and exhibition halls deliver cutting-edge insight and support certified professional development.

INTERACTIVE TRADE FAIR PROGRAMME

**Explore all that's on offer, get the live experience and reap the rewards:
The beating heart of therapie LEIPZIG is its interactive trade fair programme.**

The trade fair is the ideal place to share your knowledge, get ideas flowing and present your expertise – whether through topical and fascinating talks in the industry forums, hands-on opportunities to participate in the activity area or practical presentations in the exhibitor workshops.

*Be an active
part of the
programme!*

therapie LEIPZIG SETS TRENDS

LIVE PRAXIS NEUROREHA

This special live presentation demonstrates on patients the use of cutting-edge, robotic technologies in neuro-rehabilitation. It allows visitors to experience actual practice up close, to exchange ideas and discover what is possible.

If you are interested, please contact us!

GESUNDHEITSCAMPUS

Gesundheitscampus is the new core attraction for anyone working in preventative healthcare. Courses in rehabilitation and health-related fitness will be delivered on-site in the exhibition hall. A specialist forum provides the opportunity to share expertise, while a vitamin bar offers a relaxed environment to recharge and network.

DIGITAL INNOVATIONS

Digital solutions and concepts are becoming increasingly important in the healthcare industry and are influencing it in exciting ways. therapie LEIPZIG gives exhibitors the opportunity to present their innovative approaches and solutions.

START-UPS

Young and innovative businesses get a unique opportunity at therapie LEIPZIG to add that all-important impetus to their healthcare market launch. Our Start-up Zone provides the ideal setting for client, business partner and investor networking.

COMBATING THE SKILLS SHORTAGE TOGETHER

The skills shortage is a massive challenge, not least in the therapy industry. Which is why therapie LEIPZIG presents an additional platform that links businesses up with potential employees.

It also offers fascinating ideas for tackling areas such as integrating skilled labour from abroad, practice marketing and employee benefits. At the heart of this are informal discussion, networking and best-practice examples.
